

Heavy Duty Equipment Mechanic

Position Description:

This full-time position will be responsible for performing the majority of preventative maintenance and general repairs on all types of heavy-duty vehicles and trailers with minimal support from others. This is a skilled position involving the safe and efficient diagnoses, adjustment, repair, or overhaul on mobile equipment including tractor trailers, 10-wheelers, loaders, and other various equipment. Job duties may also include sand blasting and painting equipment. The Heavy-Duty Mechanic works under the general supervision of the Operations Manager.

We offer competitive pay, 401(k), Health, Vision, Dental, Life and Disability insurance, along with sick time, paid time off and profit sharing.

Requirements:

- Self-motivation and ability to work with minimal supervision.
- Developed analytical and problem-solving abilities
- Strong time management skills and priority emphasis skills
- High School Diploma or GED
- Must be able to lift and maneuver heavy vehicle components
- Strong written and oral communications skills
- Learn and follow safety regulations
- Welding/torching abilities
- Must pass pre-employment drug screen

Responsibilities-Performs vehicle maintenance and repair duties including:

- Performs standard preventative vehicle maintenance including brake service.
- Diagnoses complex mechanical and electronic problems utilizing diagnostic computer when applicable.
- Completes complex and detailed mechanical inspections & repairs with minimal supervision.
- Replaces defective components as instructed.
- Works unsupervised on most tasks.
- Performs facility maintenance duties.

- Tire & wheel safety trained within 90 days of employment
- Tasks to also include sandblasting and painting equipment
